

**Provo Canyon will be closed at the Deer Creek dam Wednesday, August 29<sup>th</sup> at 10:00 p.m. until 6:00 a.m. on Thursday, August 30<sup>th</sup>.** This closure will allow construction crews to switch traffic to the new bridge. Motorists will need to use I-80 as an alternate route during the closure. Once the traffic switch has occurred, motorists can expect one lane to be open on the bridge Thursday morning, with flagging operations to direct traffic. One lane of traffic in each direction is anticipated by Thursday afternoon.

This traffic switch is the first of many that will be happening over the next month in preparation for opening the new roadway. Please pay special attention to signing and flagging operations when driving through the work zone. Pavement striping and traffic routes may change daily. Be aware of your surroundings and obey the project traffic control for your safety and that of the construction crew.

Motorists should continue to expect 10-15 minute delays Monday through Friday between 6:00 a.m. and 10:00 p.m.
